Medallion Signature Guarantee Stamp

All account owners must sign this form in name exactly as it appears in the account registration. A Medallion Signature Guarantee is required for each signature to update your address when the Post Office has returned mail.

The Medallion Signature Guarantee may be executed by banks, broker dealers, credit unions, national securities exchanges and savings associations which participate in STAMP, SEMP or NYSE-MSP. A notary public is not a substitute for a Medallion Signature Guarantee. The Medallion Signature Guarantee stamp must include the words "SIGNATURE GUARANTEED, MEDALLION GUARANTEED" and otherwise comply with the medallion program requirements.
