RECHARACTERIZATION INSTRUCTIONS

Use this form to recharacterize a Traditional or Roth Individual Retirement Account (“IRA”) contribution between Domini Funds IRAs. If you do not have an existing Traditional IRA or Roth IRA to invest the recharacterized proceeds, you must complete a Traditional or Roth IRA Application and Adoption Agreement (“Application”).

All or part of a contribution you make to your IRA, along with allocable earnings or losses, may be recharacterized and treated as if made to another IRA. For the purpose of the recharacterization, we will calculate the net income attributable (“NIA”) to the contribution using the method provided for in the IRS Final Regulations for Earnings Calculation for Returned or Recharacterized Contributions. This method calculates the NIA based on the actual earnings and losses of the IRA during the time it held the contribution. Recharacterization of a contribution is irrevocable and must be completed on or before the due date, including extensions, for filing your federal income tax return for the tax year for which the contribution was originally made.

A recharacterized contribution is reported as a distribution from the first IRA (reported on IRS Form 1099-R) and a recharacterization contribution to the second IRA (reported on IRS Form 5498) for the tax year in which the recharacterization occurs. The rules regarding recharacterization are complex and you should consult a professional tax advisor prior to any recharacterization. Please refer to IRS Publication 590 for more information.

This form is not intended to facilitate Roth IRA conversions.

TRANSACTION TYPE - Select one of the following: (A, B or C)

- A. Recharacterize my **2017 Roth IRA conversion contribution** (plus allocable earnings) **back to a Traditional IRA.**

The Internal Revenue Service (“IRS”) Announces an Important Change - Effective January 1, 2018, a Roth IRA conversion cannot be recharacterized back to a traditional IRA, SEP or SIMPLE IRA. A Roth IRA conversion is considered an irrevocable election which cannot be “reversed” or “corrected”. According to the IRS, you can recharacterize a Roth IRA conversion that took place in tax year 2017, provided that the recharacterization is completed by October 15, 2018. For more information, please visit the IRS web site www.irs.gov using the search term “IRA FAQs – Recharacterization of Roth Rollovers and Conversions”.
