7. FEDERAL TAX WITHHOLDING ELECTION

Distributions from IRAs and qualified retirement plans that are not eligible for rollover are subject to federal income tax withholding unless you affirmatively elect NOT to have withholding apply to such payments. Generally, such distributions are subject to 10% withholding unless you elect to have an additional amount withheld or elect to have no withholding. You may make a withholding election by selecting one of the options below.

Your election will remain in effect for any subsequent distributions unless you change or revoke it by providing us with a new election.

Please select one:

Do not withhold federal income tax. This option is only available for accounts registered with an address in the United States.

Withhold 10% federal income tax

Withhold ____% federal income tax (must be more than 10%)

Federal income tax will be withheld from any distribution subject to the IRS withholding rules if you do not complete and return this election or if you have not previously elected out of withholding. Tax will be withheld on the gross amount of these payments even though you may be receiving amounts that are not subject to withholding because they are excluded from gross income. This withholding procedure may result in excess withholding on the payments.

8. STATE TAX WITHHOLDING ELECTION

Your state of residence will determine your state income tax withholding requirements, if any. Those states with mandatory withholding may require state income tax to be withheld from payments if federal taxes are withheld or may mandate a fixed amount regardless of your federal tax election. Voluntary states let individuals determine whether they want state taxes withheld. Some states have no income tax on retirement payments. You may wish to consult with a tax advisor or your state's tax authority for additional information on your state requirements.

I elect **TO NOT** have state income tax withheld from my retirement account distributions (only for residents of states that does not require mandatory state tax withholding).

\$ _____ or ____%

I elect **TO** have the following dollar amount or percentage from my retirement account distribution withheld for state income taxes (for residents of states that allow voluntary state tax withholding).
