I request that my account be registered in the beneficiary form under the Uniform Transfer on Death Security Registration Act, thereby transferring ownership of the account, upon my death, to my primary beneficiaries noted above, and if all of them predecease me, then to my contingent beneficiaries noted above. If any primary beneficiaries shall predecease me, then that person's share shall be allocated proportionally among the remaining primary beneficiaries, unless I duly notify you otherwise. If all primary beneficiaries shall predecease me, and a contingent beneficiary shall predecease me, then that person's share shall be allocated proportionally among the remaining contingent beneficiaries, unless I duly notify you otherwise. I understand that for this instruction to apply to the entire account, all primary percentages should add up to 100%, as should all contingent percentages. If no percentages are indicated, Domini assumes an equal division among all primary beneficiaries, and if none, an equal division among all contingent beneficiaries. If a beneficiary is a minor, I must designate a custodian and provide the minor's birth date. (continued on next page)

I direct Domini to transfer the account to such named beneficiaries upon receipt of appropriate instructions and certification of my death. I warrant that I am a resident of the state I have designated above and that the state allows UTOD Registrations. These designations will replace any beneficiary information already on file and will remain in effect until I provide to Domini another properly completed written instruction.

I release Domini Impact Investments, BNY Mellon Asset Servicing, their agents, representatives and affiliates from all claims, demands, suits, actions, liabilities and responsibilities whatsoever and agree to indemnify them from any and all liabilities, cost, or expense whatsoever for acting in good faith in accordance with these instructions.
