[†] Source: Bloomberg Portfolio Risk & Analytics, except as noted by [‡]. All characteristics are as of December 31, 2019, unless otherwise noted.

Annual Turnover is the lesser of purchases or sales for the trailing 12 months divided by the portfolio's average trailing 13-month net asset values. **Price/Book Ratio** is the weighted harmonic average of the price/book ratios of the stocks in the portfolio, which are the stocks' most recent closing prices divided by their book value per share. **Price/Earnings Ratio** is the weighted harmonic average of the price/earnings ratios of the stocks in the portfolio, which are the stocks' most recent closing prices divided by their earnings per share over the trailing 12 months. **Dividend Yield** is the weighted harmonic average of the dividend yields of the stocks in the portfolio, which are the stocks' dividends per share over the trailing 12 months divided by their most recent closing prices. **Return on Equity** is the portfolios total net income less cash preferred dividends divided by the portfolio's total common equity. **Tracking Error** is the standard deviation of residual returns, which are the differences between fund's projected returns and the index's projected returns. Tracking error measures the degree of dispersion of fund returns around the index. Generally, the higher the tracking risk, the greater the active bets the manager has taken. **Beta** is a measure of the volatility of a fund relative to its benchmark index. A beta greater (less) than 1 is more (less) volatile than the index.

1. Certain types of investors may be able to have Class A initial sales charges waived. Please see the prospectus, Shareholder Manual: How Sales Charges are Calculated: Waiver for Certain Class A Investors for more information.

2. You pay no initial sales charge when you invest \$1 million or more in certain Domini Impact Equity Fund shares. However, you may be subject to a contingent deferred sales charge of up to 1.00% of the lesser of the cost of the shares at the date of purchase or the value of the shares at the time of redemption if you redeem within one year of purchase. The Fund's distributor may pay up to 1.00% to a Service Organization for purchase amounts of \$1 million or more. In such cases, starting in the thirteenth month after purchase, the Service Organization will also receive the annual distribution fee of up to 0.25% of the average daily net assets of the Fund held by its clients. Prior to the thirteenth month, the Fund's distributor will retain the service fee. Where the Service Organization does not receive the payment of up to 1.00% from the Fund's distributor, the Service Organization will instead receive the annual service fee starting immediately after purchase. In certain cases, the Service Organization may receive a payment of up to 1.00% from the distributor as well as the annual distribution and service fee starting immediately after purchase. **Please consult the Fund's prospectus and your Service Organization for more information.**

Before investing, consider the Fund's investment objectives, risks, charges and expenses. Contact us for a prospectus containing this information. Read it carefully.

Past performance is no guarantee of future results. The Fund's returns quoted above represent past performance after all expenses. The returns reflect any applicable expense waivers in effect during the periods shown. Without such waivers, returns would be lower. Investment return, principal value, and yield will fluctuate. Your shares, when redeemed, may be worth more or less than their original cost. An investment in the Fund is not a bank deposit. The Fund is not insured and is subject to market, impact investing, portfolio management, information, and mid- to large-cap companies risks. Investing internationally involves special risks, such as currency fluctuations, social and economic instability,

differing security regulations and accounting standards, limited public information, possible changes in taxation, and periods of illiquidity. You may lose money. Contact us for performance information current to the most recent month-end, which may be lower or higher than the performance data quoted.

The Fund charges a 2.00% redemption fee on sales or exchanges of shares made less than 30 days after the settlement of purchase or acquisition through exchange, with certain exceptions. Class A shares are generally subject to a front-end sales charge of 4.75%. Certain fees and expenses also apply to a continued investment in the Fund and are described in the prospectus. See the Fund's prospectus for further information.

Total return for the Fund is based on the Fund's net asset values and assumes all dividends and capital gains were reinvested. The total returns do not reflect the deduction of fees and taxes that a shareholder would pay on Fund distributions or the redemption of Fund shares.
